HAN UNIVERSITY
OF APPLIED SCIENCES

ABOUT

HAN UNIVERSITY OF APPLIED SCIENCES

HAN University of Applied Sciences offers loads of professional programs in a wide range of fields. Think about education, social studies and commerce. Communication, business administration and law. Economics, engineering and built environment. Applied sciences and IT & communication. And health, nursing and sport & exercise.

Students can choose from 63 bachelor programs, 19 master programs and numerous exchange programs. All of which combine a solid theoretical basis with practical application in the field. So they're well positioned to enter the job market as soon as they graduate.

HAN International School of Business offers 2 bachelor programs and 1 master program all fully taught in English: Bachelors in [International Business](#) and [Communication](#); Master in [Circular Economy](#). We have around 1,000 students from over 30 different countries. And our main objective is to enhance employability and internationalization.

ARNHEM

HAN University of Applied Sciences is situated in the eastern part of the Netherlands, with campuses in the cities of Arnhem and Nijmegen. Just a few kilometers from the German border. But still within easy reach of Amsterdam, London, Paris, Brussels and Berlin. The Netherlands is truly at the heart of Europe!

The east of the country offers a typical Dutch landscape with charming scenery. Wide rivers, bridges, dikes and polders. This is a country known for cultural diversity and a relaxed, cosmopolitan lifestyle.

HAN International School of Business is situated on our Arnhem Campus. The city of Arnhem offers a variety of eye-catching attractions. From fashion to history. Museums to pubs. Concert halls to nightclubs. Arnhem is located at the epicenter of the province. It virtually sprouts up out of lovely green surroundings. The Veluwe national park on one side. The lush floodplain area on the other.

GRADING SCALE

The Dutch grading scale is from 1 (very poor) to 10 (outstanding). The lowest passing grade is 6.

A grade of 9 is seldom given and a 10 is extremely rare.

The grades 1 - 3 are hardly ever used.

In some cases no grade is given, only a "pass".

For more information about the Dutch grading system, please check <https://hanuniversity.com/studyingatHAN>

RE-SIT / LONG DISTANCE EXAMS

Incoming students

We do not facilitate long distance exams offered by the students' home university at HAN or re-sit exams offered by HAN once the students have returned to their home university.

Outgoing students

The Boards of Examiners at HAN do not permit students, who have studied at a partner university, to write long distance exams offered by the host university once they have returned to HAN. In certain, exceptional, cases the possibility to write such an exam may be discussed.

TRANSCRIPTS OF RECORDS

Incoming Exchange students

Transcripts will be sent to the partner university by email only (unless the original is requested).

Outgoing HAN students

Please send our students' transcripts to Outgoing@han.nl
