

INTENSIVE ACADEMIC ENGLISH COURSES

In-Person or Online! International students are provided with 20 hours/week of real-time instruction in courses especially designed to improve their Academic Writing, Reading, Grammar, and Conversation. Our students become well equipped for success in their future academic studies and professional careers. Extracurricular language clubs and cultural activities round out this high-impact experience.

CELAC INTERNATIONAL ADMISSION PATHWAY PROGRAM

Students who successfully complete full-time studies in CELAC's highest level ("Academic Bridge") with a 2.5 GPA or better and good academic standing are admissible to full-time UNM undergraduate study without an additional English proficiency exam (e.g. TOEFL, IELTS, Pearson, Cambridge). UNM graduate departments may also accept this Pathway. #WelcomeToUNM

CUSTOMIZED SHORT PROGRAMS

We have a long history offering specialized intensive English immersion courses and unique educational experiences for students and professionals. Some recent examples:

- English for Engineering and Business
- English for Project Management
- Language Teaching Methods (e.g. Content and Language Integrated Learning (CLIL))
- Best Practices in International Higher Education
- TOEFL Preparation

We are flexible to meet your needs. Contact us to share ideas!
